

## LiftMate TNV500 – TNV1500S RANGE ROUGH TERRAIN PALLET TRUCKS

LiftMate Rough Terrain pallet trucks have been specially designed to cope with the rigorous demands of the building, construction and hire industries. Manufactured with a strengthened steel frame, high capacity, increased lift height and improved stability for large loads, the rough terrain pallet truck is the ideal machine for moving palletised goods across uneven ground. Rough terrain pallet trucks can be used where other pallet trucks or forklifts cannot go, including rooftops, earthworks, construction sites and gardens.

### TNV 1200 - Heavy Duty Rough Terrain Pallet Truck

This is a strengthened version of the Rough Terrain Pallet Truck with an increased capacity of 1200kg. Thanks to its large wheels, adjustable forks and straddle legs it can be used for any type of pallet (up to 1200 x 1200mm) on uneven ground.

TNV 500	FEATURES
	<p><b>LiftMate Mini Rough Terrain Pallet Truck</b></p> <p>This is our brand new very lightweight and compact rough terrain hand pallet truck. It is ideal for handling pallets up to approx. 700 x 800mm and up to 500kg in weight. This is an ideal truck for handling small pallets, crates, containers etc. in gardens, garden centres, parks, farms, festivals and so on.</p>
TNV 1500 S	FEATURES
	<p><b>Very Heavy Duty Rough Terrain Pallet Truck</b></p> <p>The TNV1500S is our heaviest duty manual rough terrain pallet truck. It maintains the full 1500kg capacity at 600mm load centre. This allows it to handle fully loaded pallets weighing up to 1.5t and 1.2 wide x 1.2m deep. It is very robust and can be supplied in many versions.</p>

TNN 1500	FEATURES
	<p><b>Narrow Rough Terrain Pallet Truck</b></p> <p>The TNN 1500 is designed to handle 800, 1000 or 1200mm wide pallets. It offers excellent manoeuvrable capability for handling pallets not exceeding 1m in width. The pallets can still be 1200mm deep as the load centre is 600mm.</p>

TNW 1200	FEATURES
	<p><b>Extra Wide Rough Terrain Pallet Truck</b></p> <p>This extra wide version of our rough terrain pallet truck is designed to handle oversized loads. This machine can be manufactured with 500 - 1200kg capacities and the straddle legs can be up to 2500mm apart.</p>

TNE 1200	FEATURES
	<p><b>Electric Rough Terrain Pallet Truck</b></p> <p>This heavy duty electric rough terrain pallet truck has two 12V / 60Ah batteries which allow it to be used as a fully powered pallet truck. The truck has an electric lift and drive.</p> <ul style="list-style-type: none"> <li>- Built-in charger</li> <li>- 2 heavy duty batteries for full day operation.</li> </ul>
